

Luxury mobility
has a new home.

Your second home on the road.

You have outgrown conventional limits. Your dreams now revolve around space; space enough for both active youngsters and grown-ups to make themselves feel at home on the go. Because of you, Hyundai has moved past the realm of possibilities to enter a new era of mobility. The all-new PALISADE and STARIA carry all the luxuries of home wherever you go, from familiar comforts and conveniences to the unmatched sense of safety and security for your whole family.

Go ahead and judge them by their covers.

The PALISADE and STARIA boldly declare: style cannot take a backseat to comfort and safety. They exude Hyundai's signature visual elegance that belies their impressive stature, hinting at the sophistication to be found inside. Once onboard, spaciousness gives way to sheer delight as you marvel at how nothing gets in the way of quality time with your loved ones.

Hyundai leads the charge to make safety the ultimate luxury.

When Hyundai innovates, it is to deliver an intuitively better experience. Intelligent features like the Rear View Monitor, One-Touch Walk-In for third row access, Driver Talk Mode to speak up without shouting, and Quiet Mode to let others sleep while keeping your favourite tunes audible at the wheel. Meanwhile, Hyundai's suite of SmartSense™ technologies keep you 'safe as houses': from preventing doors from opening into oncoming cars, to alerting you of passengers left behind in the back row, Hyundai leads the charge to make safety the ultimate luxury.

With Hyundai, more will never be less. Now it's just a matter of choosing the right size.

PALISADE

Always Remarkable.

A random turn down a different road can lead to a wonderful discovery. For those with a sense of adventure and who want to explore for themselves, Hyundai presents the all-new Palisade, the ultimate getaway vehicle. With its bold design, Palisade is made for those who dare to be different, who want to break the daily routine and just get away from it all. From its innovative smart safety features to its class-leading spaciousness, Palisade delivers an endless stream of pleasant surprises.

Refreshingly clean.

Beyond the cabin's clean, ultra-modern lines, there's clean air technology that not only filters away dust and pollen but also deodorizes the air with an ionizer. And seconds before entering a tunnel, Palisade will automatically close the windows and cut off external air intake. Double-laminated glass ensures whisper quiet travel while the 10.25" touchscreen comes with split-screen and 360-degree surround view monitor capabilities to ensure effortless command and control.

7" cluster / 10.25" infotainment system (Apple Carplay™ / Android Auto™)

Large luggage space

Bridge-type high console

Three-zone, independent-control, fully automatic air conditioning

A real handful.

It's time for that big family trip and you've got a lot on your hands. But with Palisade's smart safety features, you get peace of mind knowing that you and your loved ones are protected by a 6-airbag system and a range of smart features that are unprecedented in the Palisade segment.

20" alloy wheel

6-Airbag system

Head-Up Display (HUD)

8-speed shift-by-wire automatic transmission

Wireless smartphone charging system

Front ventilated & heated seats

Integrated memory system (IMS)

Smart power tailgate

Blind-Spot View Monitor (BVM)

Driver's 10-way power seat

8 Seater

Cargo, kids or adults, whatever you throw at it, the highly versatile Palisade can handle it. The cabin space can be easily configured in a variety of different ways to tackle the demands of the moment. And with the third row folded, Palisade offers a generous 704-liters of cargo space.

8 seats

3rd row folded

2nd and 3rd row folded

3rd row folded and 2nd row folded 60%

3rd row folded and 2nd row folded 40%

For added convenience, the second-row seats include a smart one-touch walk-in button that instantly readjusts the second-row seat position for easier third-row entry/egress. Rear seat passengers will also appreciate the dual-wide sunroof that brightens up the interior.

Sleep Mode System (SMS)

If backseat passengers are asleep, SMS allows the driver to mute the backseat speakers and to listen to music through the first-row speakers without disturbing anyone.

STARIA

STARIA

STARIA stirs up the winds of change to open a new chapter in MPV driving. Inspired by the concept of a luxurious modern lounge, the futuristic styling commands instant attention. The lounge idea is fully realized the moment you step inside the multi-open space cabin, where you are greeted by a wonderful feeling of openness and smart technologies that make daily driving a lot easier.

Design in a new direction.

For a clean break with the past, STARIA designers adopted the one curve gesture to advance MPV design in an entirely new direction. Radiating simplicity and high-tech elegance, the futuristic silhouette provides clues to STARIA's cutting-edge technologies that make driving safer, more comfortable, and more convenient than ever before. STARIA does more than establish a new design aesthetic: it redefines the luxury MPV segment to stand in a class of its own.

Full LED headlamps / Tinted brass chrome

Parametric pixel lights (LED rear combination lamp) / Tinted brass chrome

18" tinted brass alloy wheels

64-color ambient mood lamp

Whether you prefer an ambiance that is soft and gentle or lively and exciting, or somewhere in between, the shades of the mood lamp are user-customizable to suit personal preferences.

7 Seater

Upgrade to executive class with the luxuriously appointed 7-seater, and the miles will just fly by. The premium relaxation seats are designed to relieve the pressure points of a conventional seat, so you feel as if you're seated in your favorite recliner in your living room.

Premium relaxation seat (one-touch relaxation mode)

At the touch of a button, the premium relaxation seat features redistributes your bodyweight to make you feel like you're floating in the air and it cares for you in all weather conditions with its 3-stage heating and ventilation functions. The 2-way backrest, 2-way seat cushion and 4-way legrest are individually adjustable to suit personal preferences.

Powerful and safe.

STARIA's new and more efficient powertrain unleashes powerful performance and a rush of endorphins. Standard safety equipment includes 3-point seatbelts, headrests, and the latest airbag technologies to keep everyone aboard well-protected.

Lambda III (Smartstream G3.5)

272 Maximum Power
ps/6,400 rpm

331 Maximum Torque
Nm/5,000 rpm

3-point seatbelts/6 airbags

3-point seatbelts and adjustable headrests are now standard for all seats. 1st-row supplemental restraints include 2 front and 2 side airbags, while twin grand curtain airbags protect rear-row occupants.

Convenience at its best.

Crafted for peak comfort and convenience, STARIA gets it right by surrounding you with a variety of smart features that provide unexpected delight. The sliding door and tailgate open and close automatically on your approach and departure. Long sliding seats provide an extra measure of flexibility for reconfiguring the cabin space while the premium sound system transforms STARIA into a concert hall on wheels.

Smart power sliding door

No hands, no button pressing required. The smart door senses your presence and slides open automatically (as long as the smart key is on your person).

Smart power tailgate (with auto-close function)

If you can't reach into your pocket for your smart key because your hands are full, STARIA's smart power tailgate does all the work for you by automatically opening as you approach the vehicle and automatically closing as you walk away.

Front & rear ventilated seats

Front & rear heated seats

Supervision Cluster with 10.25" TFT LCD

Flush Glass

8" Infotainment System with Android Auto and Apple CarPlay

Surround View Monitor

Hyundai SmartSense™

With Hyundai SmartSense, our cutting-edge Advanced Driver Assistance Systems, Palisade and Staria are equipped with the latest active safety technologies built to provide you with more safety and peace of mind.

PALISADE

Safe Exit Assist (First in class)

Keep your family safe with the Safe Exit Assist. Palisade senses vehicles approaching from the rear and keeps the child lock engaged thus preventing passengers from getting out. When the vehicles have passed, a simple push of a button unlocks the door for a safe exit.

Rear Cross-Traffic Collision Warning (RCCW)

Radar sensors in the rear bumper monitor cross traffic approaching from left and right side of the vehicle during reverse maneuvers, and if necessary apply warning.

Blind-Spot Collision Warning (BCW)

Radar sensors in the rear bumper are used to warn the driver of approaching vehicles in the blind spot area.

Surround View Monitor (SVM)

A multi-camera system provides a 360-degree view around the vehicle to assist the driver in parking situations.

STARIA MPV

Forward Collision-Avoidance Assist (FCA)

If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer left turns.

Smart Cruise Control (SCC)

Smart Cruise Control helps maintain distance from the vehicle ahead and drive at a speed, set by the driver.

Lane Following Assist (LFA)

A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

RCCA warns of the approach of a vehicle across the rearward path when reversing and, if necessary, emergency braking is applied.
